Subject: Amendments to the 2002 Annual Report of the Operations Secretary

Dear Administration Members,

It has come to my attention that both Table XI-B and Table XI-C of the 2002 Annual Report of the Operations Secretary contain data errors in the column entitled "Frontier Ditch", which in turn causes the values in the final column entitled "Release Meas. @ State Line" to be incorrect also.

I have corrected both tables and re-titled them as Table XI-B Amended and Table XI-C Amended. These are enclosed and should replace those included in the report previously provided to you.

I apologize for any inconvenience that may cause.

Sincerely,

Steven J. Witte
Operations Secretary
Arkansas River Compact Administration
