

# Offset Account 5-Year Review

Bethany Arnold, P.E.  
Assistant Division Engineer, Division 2

Rachel Duran, Kansas Division of  
Water Resources

# Quick Facts

Average Start Date	Average End Date	Average Release Rate (cfs)	Average Released Amount (AF)	Average Offset Delivery Efficiency	Total Delivery Credit of Consumable Water (AF)
July 4	August 4	157	9,345	77.4%	39,852

Year	Amount Delivered (AF)
2017	15,900
2018	10,661
2019	12,413
2020	18,958
2021	9,760
<b>Total</b>	<b>67,692</b>

Maximum daily content:

16,792 AF on June 30, 2020

- ▶ Unresolved Recommendation  
from Previous Reviews

1. Process for operations when the Offset Account is full
2. Review and implementation of TLAP model below JMR
3. Offset Account utilization accounting review

## ► Recommendations from 2017-2021 Review

1. The States should review and agree upon a utilization spreadsheet annually.
2. Update the 2019 Offset Account Report.
3. Update the 2020 Offset Account Report.
4. Review operations frequently during the year.
5. Populate the 5-year review on an annual basis.

THANK YOU
